STATEMENT OF BATTERY PARK CITY AUTHORITY PRESIDENT & CEO B.J. JONES ON 20th ANNIVERSARY OF THE SEPTEMBER 11, 2001 ATTACKS

"Twenty years ago this morning our city sustained attacks that would change the course of history of downtown Manhattan, of New York City, of the country and the world.

"This day brings with it feelings of sadness and grief but also resilience and renewal. We are forever grateful for the service and sacrifice of so many and for those who have led the way since.

"Battery Park City never gave up and we will never ever forget."
