LET'S KEEP THE WILDLIFE IN BPC WILD!

Battery Park City (BPC) is home to a diverse array of wildlife.
Many species of insects, including native pollinators, inhabit our gardens and lawns.
More than 100 resident and migratory birds use BPC as a safe haven.

Our green spaces provide the food and habitat these animals need.
Wildlife in BPC does not benefit from human interaction.

IF YOU ENCOUNTER A WILD ANIMAL, PLEASE:

- **Observe from a distance (both for your safety and the animal's)**
- **Do not feed it**

If the animal you encounter appears injured or distressed,
contact the New York State Department of Environmental Conservation (DEC) at:

- **(718) 482-4922 Monday - Friday**
- **(877) 457-5680 Saturday - Sunday**
