

**Project:** Enterprise Resources Planning,  
Human Resources Information  
System, System Integrator, and  
Software Vendor Services

**Date:** December 9, 2022

**RE:** Addendum #1

**# of Pages:** 2

---

---

The following clarifications are to be made for the proposal documents for The Enterprise Resources Planning, Human Resources Information System, System Integrator, and Software Vendor Services Request for Proposals document. They are a result of issues discussed at the pre-proposal conference held on November 17, 2022 and any questions received by 4pm on November 29, 2022.

**Questions:** (answers to all question are shown in *Italics* immediately after the question):

1. Once you decide on a provider, when is BPCA's anticipated go-live date with the new system?  
*It will likely be the latter half of 2023.*
2. Does your organization have any preference such as MD Dynamics, Hana S/4. We have our own solution also: [www.mPonics.io](http://www.mPonics.io) as well as experts in MS Dynamics and SAP.  
*We encourage you to submit a proposal which best meets the requirements outlined in the Request for Proposals and accompanying Scopes of Work. Proposers may also submit an alternate proposal explaining how it deviates from the requirements and in what way(s) it would be beneficial to the Authority.*
3. Will you publish a list of pre-proposal attendees?  
*Please see the list of pre-proposal attendees directly below:*

Vendor Company	ESD Certified MWBE	NYS OGS Certified SDVOB
RK Software	Yes	
One Source	Yes	
Oracle		
Paylocity		
QED, Inc.	Yes	
Tech Valley Talent LLC		
TylerTech		
Guidehouse		
Tech Valley Talent LLC		
Spruce Technologies	Yes	

4. Are there any considerations that prospective vendors should know about prior to submission (ie budget cuts or etc)?

*Proposals should be based only on the information provided in the Request for Proposals and its various Exhibits.*

5. What additional value is ADP providing BPCA for these services?

*ADP is the incumbent proposer based on a determination that its prior proposal offered the best overall value to the Authority. This is a new solicitation which is an opportunity for all firms to demonstrate the value they provide.*

6. What's included in the costs for the ADP contract?

*This is irrelevant for the purposes of the current solicitation. A complete list of the services required of the successful Proposer can be found in the Request for Proposals document.*
