1. How many names need to sandblasted? I don't see the list or quantity listed in the RFP.

79 names are to be etched in the first year for the years 2022 and 2023. In the second and third year of the agreement, the number of names is yet to be determined. However, from 2016 to 2021, the average number of names requiring etching was 34 per year.

By signing the line below, I am acknowledging that all pages of the addendum have been received, reviewed, and understood, and will be incorporated into the bid price submitted. This document must be attached to the proposal for consideration.
