

# South Battery Park City Resiliency Project: Upcoming Two-Week Construction Notification

Project Area: Wagner Park, Battery Park  
Date: October 27, 2023

The following work, from 7 AM to 6 PM unless otherwise noted, is anticipated through **Friday, November 10, 2023**, but may be subject to change due to scheduling or weather:

- Test pits on and near First Place and Battery Place on Saturday, October 28, from 8 AM to 6 PM. This work will not result in lane closures or impacts to vehicular traffic.
- Foundation construction of the new Pavilion Building in Wagner Park.
- Installation of cistern and backfilling in Wagner Park.
- Installation of soil anchors for new sheet pile floodwalls in Wagner Park.
- Installation of site drainage in Wagner Park.
- Modifications to pedestrian walkway along Battery Place, from West Street to State Street, to allow for the relocation of the bikeway during construction.
- Continued installation of construction fence in Battery Park.
- Test pits along Battery Place, from Little West Street to Washington Street, starting on or about Monday, October 30 to Friday, November 10, from 9 PM to 5:30 AM.
- Tree removal will continue in The Battery and the performance of test pits within the construction fence will commence.
- Material deliveries will continue, with increased truck traffic south of First Place and at Little West Street on Battery Place
  - ✓ Flaggers are on-site to direct trucks for public safety and traffic control
  - ✓ Pedestrian / vehicular access along Battery Place & surrounding streets will be maintained at all times.
