

# Battery Park City Authority

## A City within a City

The Hugh L. Carey Battery Park City Authority is a New York State public benefit corporation whose mission is to plan, create, coordinate, and sustain a balanced community of commercial, residential, retail, and park space within its designated 92-acre site on the lower west side of Manhattan. There is a recognition that, as development of new parcels is completed, the importance of maintenance within the mission will become more significant.

**Essential Functions:**

The list of essential functions, as outlined herein, is intended to be representative of the tasks performed within this classification. It is not necessarily descriptive of any one position in this class. The omission of an essential function does not preclude management from assigning duties not listed herein if such functions are a logical assignment to the position.

- Safeguard and regulate conduct of pool users; enforce pool policies, rules, and regulations; rescue patrons and perform appropriate follow-up procedures, including the proper use of equipment in the performance of first aid; the lifeguard is a model of exemplary pool behavior
- Test water quality in the pool and maintain daily records; conduct proper maintenance and sanitary upkeep of the pool, pool area, and locker rooms; participate in the preparation of daily records; provide written reports on all accidents and incidents; maintain updated safety requirements
- Attend in-service training and teach said skills to staff; conduct patron swimming tests to assess their ability to swim independently; provide customer service to Community Center users, including handling customer conflict and complaints
- Perform work safely in accordance with departmental safety procedures; operate equipment safely and report any unsafe work conditions or practice to supervisor
- Participate in the daily preparation of aquatic programs; assist the Community Center Foreperson in daily aquatic managerial duties; may be required to maintain chemical balances in mechanical/pump room or chemical problems as necessary
- Capable of working as a leader and team member to maintain positive work relations with fellow staff members and other departments
- Perform other related duties within the scope of the position as required by the department head

**Education and Experience:**

A High School Diploma or GED is required. A minimum of two (2) years of related work experience preferred. Experience in water rescue methods, lifeguarding, and first aid practices, techniques and swimming pool operations (sanitation, maintenance, and safety).

Must possess a valid American Red Cross Life Guarding Certificate and American Red Cross First Aid Certificate. Must be certified in American Red Cross Cardio Pulmonary Resuscitation (CPR) for the Professional Rescuer.

**Skills:**

- Must be able to courteously and firmly interact with pool patrons
- Ability to clearly and effectively communicate with colleagues, Community Center members and colleagues at Stuyvesant High School

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law. All people with disabilities are encouraged to apply.

**Physical Requirements:**

- Ability to complete a continuous 500 yard swim and submerge to a minimum depth of 7" to retrieve a 10lb object and return to the surface.
