

South Battery Park City Resiliency Project: Upcoming Two-Week Construction Notification

Project Area: Wagner Park, The Battery
Date: July 5, 2024

The following work, from 7 AM to 6 PM unless otherwise noted, is anticipated through **Friday, July 19, 2024**, but may be subject to change due to scheduling or weather:

- Utility relocation on Battery Place between Little West Street and West Street, between 9PM and 5AM, through mid-July:
 - 9PM – 9:30PM: Set-up
 - 9:30PM – 4:15AM: Gas & electric utility relocation, involving backfilling utilities & roadway restoration
 - 4AM - 5AM: Clean-up & restoration of the bike lane
- Daytime utility relocation, involving excavating utilities to prepare for the floodwall foundation.
- Site demolition in the Battery, Pier A Plaza, and Pier A Inlet
- Drilled pile installation in the Battery and Pier A Plaza
- Superstructure construction and utility work for the new Pavilion Building in Wagner Park
- Installation of site utilities, concrete structures, and fill materials in Wagner Park
- Installation of floodwalls and seepage barrier around MJH and in Wagner Park
- Construction staging in a 10' x 80' segment of the parking lane on Battery Place
- Installation of piles and utilities on First Place
- Material deliveries will continue, with increased truck traffic south of First Place on Battery Place
 - ✓ Flaggers are on-site to direct trucks for public safety and traffic control.
 - ✓ Pedestrian / vehicular access along Battery Place & surrounding streets will be maintained at all times.
