

South Battery Park City Resiliency Project: Upcoming Two-Week Construction Notification

Project Area: Wagner Park, The Battery
Date: July 19, 2024

The following work, from 7 AM to 6 PM unless otherwise noted, is anticipated through **Friday, August 2, 2024**, but may be subject to change due to scheduling or weather:

- [Installation of a 6" watermain between 9PM and 5AM along Battery Place the week of July 22 - 26](#)
- Electrical utility installation in the Battery
- Daytime utility relocation, involving excavating utilities to prepare for the floodwall foundation, along Battery Place
- Site demolition in the Battery, Pier A Plaza, and Pier A Inlet
- Drilled pile installation in the Battery and Pier A Plaza
- Superstructure construction and utility work for the new Pavilion Building in Wagner Park
- Installation of site utilities, concrete structures, and fill materials in Wagner Park
- Installation of floodwalls and seepage barrier around MJH and in Wagner Park
- Construction staging in a 10' x 80' segment of the parking lane on Battery Place
- Installation of piles and utilities on First Place
- Material deliveries will continue, with increased truck traffic south of First Place on Battery Place
 - ✓ Flaggers are on-site to direct trucks for public safety and traffic control.
 - ✓ Pedestrian / vehicular access along Battery Place & surrounding streets will be maintained at all times.
