WAGNER PARK Opening Celebration:
MAISON MILLEFLEURS & Silent Disco in
Battery Park City, Lower Manhattan

Last night, Rhonda Weppler and Trevor Mahovsky's "Maison Millefleurs" (House of a Thousand Flowers), an installation of life-sized handmade flowers illuminated by LED lights was unveiled in Wagner Park, Battery Park City in Lower Manhattan. New Yorkers helped create the paper flower lanterns that will bloom to life in a special greenhouse on display through September 21. Visitors participated in a flower-making workshop creating wearable, illuminated artworks. There was also silent disco by Quiet Events @quietevents. Maison Millefleurs is
