

# South Battery Park City Resiliency Project: Upcoming Two-Week Construction Notification

**Battery Park  
City Authority**

Project Area: Wagner Park, The Battery  
UPDATED Date: February 20, 2026

The following work, from 7 AM to 11 PM including weekends unless otherwise noted, is anticipated through **Friday, March 6, 2026**, but may be subject to change due to scheduling or weather:

- Installation of stone on wall at Battery Place
- Installation of drainage and manhole work at Pier A Plaza and Battery Place
- Electrical conduit installation at Pier A Plaza and Battery Place
- Continued work inside the future pavilion restaurant and community room
- Material deliveries to Pier A Plaza and Greenwich Street
- Flaggers are on-site to direct trucks for public safety and traffic control.
- Pedestrian/vehicular access along Battery Place and surrounding streets will be maintained at all times.
  
- Pier A Plaza evening work will start at 3 PM and end at 11 PM, Monday through Friday, and is anticipated to continue for approximately 8-10 weeks. Work is not anticipated to take place on Saturday or Sunday. The team will perform excavations, grading, building of concrete forms, and concrete pours, weather permitting. Truck traffic will be present and deliveries will take place. An excavator will be working on site; some noise is anticipated to be associated with this work. The team will use light towers directed at the relevant work areas, not facing the street.
