

South Battery Park City Resiliency Project: Upcoming Two-Week Construction Notification

Battery Park
City Authority

Project Area: Wagner Park, The Battery
UPDATED Date: June 26, 2026

The following work is anticipated through

Friday, July 10, 2026, but may be subject to change due to scheduling or weather:

- Electrical conduit and electric cable installation at Pier A Plaza and Battery Place
- Stonework on staircase at Pier A Plaza
- Installation of pavers at Pier A Plaza and Battery Place
- Installation of retaining walls at Battery Place
- Soil and tree installation at Battery Place
- Curb work and road base for bike lane at Battery Place
- Installation of veneers around the columns will continue for next 2 weeks and will limit access to the inlet area of the Wagner Park during work which will occur on weekdays during regular business hours
- Installation of planters at public restrooms at Battery Place
- Material deliveries to Pier A Plaza and Greenwich Street
- Flagger are on-site to direct trucks for public safety and traffic control.
- Pedestrian/vehicular access along Battery Place and surrounding streets will be maintained at all times.

- **Site work will not take place from Friday, July 3 to Sunday, July 5 with work resuming on Monday, July 6. Access to Wagner Park, Pier A Plaza, and Battery Place will be open with minor localized areas still limited to public access.**

- Pier A Plaza and Battery Place work will start at 7 AM and end at 3 PM and an extra shift will start at 3 PM and end at 11 PM. This work is anticipated to continue for approximately 9 weeks. Truck traffic will be present, and deliveries will take place. An excavator will be working on site; some noise is anticipated to be associated with this work. The team will use light towers directed at the relevant work areas, not facing the street.
