Pre-Proposal Conference Attendance Clarification & Procedures

The Authority has received a significant level of interest in this solicitation and an unexpectedly high number of registrations for the Pre-Proposal Conference and Site Tour scheduled for Monday, August 17, 2026, at 11:00 a.m.

Due to conference room capacity constraints, attendance at the **indoor Pre-Proposal Conference** will be limited to **one (1) representative per prospective proposer**. Firms that have registered multiple attendees should designate a single representative to attend the conference portion of the event.

The **outdoor Site Tour** will commence following the conclusion of the Pre-Proposal Conference. Attendance at the Site Tour is **not limited**. Representatives wishing to participate in the Site Tour, including those who do not attend the Pre-Proposal Conference, should assemble **outside the main entrance of 200 Liberty Street at approximately 11:30 a.m.**

Prospective Proposers are reminded that any information affecting the requirements of the solicitation will be communicated through a written addendum. Oral statements made during the Pre-Proposal Conference or Site Tour shall not modify the solicitation requirements.

Please ensure that all submissions include acknowledgment of this addendum.

The deadline for proposal submissions remains unchanged.

By signing the line below, I am acknowledging that all pages of this Addendum #1 have been received, reviewed and understood, and will be incorporated into the Proposal submitted. This document must be attached to the Proposal for consideration.
