

Invitation for Bid (“IFB”):

Date: September 10, 2026

IFB for Utility Vehicles

RE: Addendum # 2

of Pages: 7

1) IFB AMENDMENTS: The subject IFB is hereby amended as follows:

a) EXHIBIT A: Warranty Requirement

DELETE: The bidder shall provide detailed warranty information for the vehicle, battery system, powertrain, onboard charger, and corrosion protection. At a minimum, warranty coverage shall include a three (3) year comprehensive vehicle warranty, a five (5) year powertrain warranty, a five (5) year corrosion warranty, and an eight (8) year lithium-ion battery warranty guaranteeing not less than seventy percent (70%) of original battery capacity. Bidders shall also provide pricing for available extended warranty options.

and **REPLACE WITH:**

The bidder shall provide detailed warranty information for the vehicle, battery system, powertrain, onboard charger, and corrosion protection. At a minimum, warranty coverage shall include a **four (4) year standard vehicle warranty** and a **seven (7) year warranty for the lithium-ion battery**.

B) BID SHEET – The Bid Sheet is being replaced as follows. Please use the Revised Bid Sheet included in this addendum below with your bid.

DELETE Exhibit B-2 BID SHEET in its entirety and **REPLACE WITH** Exhibit B-2R below

2) QUESTION & ANSWER – Below are the responses to substantive questions received by the Battery Park City Authority (“BPCA”), in connection with this IFB. Responses are provided in bold underneath each question. All capitalized terms have the meanings assigned to them in the IFB.

By signing the line below, I am acknowledging that all pages of this Addendum #2 have been received, reviewed and understood, and will be incorporated into the Proposal submitted. This document must be attached to the Proposal for consideration.

QUESTION & ANSWER

The following is a list of responses to questions submitted by prospective respondents to the Utility Vehicles IFB. A copy of the IFB is available at:

[Utility Vehicle IFB PDF](#)

Question 1. The length warranty you set as your minimum warranty is longer than what the manufacturer offers for this equipment. Taylor Dunn offers a full 4 year vehicle warranty and 7 year warranty on lithium batteries. With this difference in warranty would we automatically disqualify from this bid?

Answer: Please note that the warranty details are provided on page 1 if this Addendum under IFB Amendments

Question 2: There are two different prices for freight models. Would you want that broken out or should we incorporate that in the freight price as a whole. Example delivery cost breakout for the XL or standard delivery costs are different.

Answer: Please note, BPCA has included a revised Bid Sheet (Exhibit B-2R) pursuant to section 1b of this Addendum No. 2. BPCA **requires vendors to provide a unit delivery price for each vehicle configuration included in the proposal. Vendors must also provide a total delivery cost for all vehicles included in their proposal.**

The delivery price for each vehicle configuration must include all costs associated with the delivery of that vehicle, including any applicable transportation, handling, preparation, or other delivery-related costs. All delivery costs provided shall be firm, FOB Destination, and not subject to change.

Question 3. Can you please advise if there is a loading dock at the delivery address?

Answer: No, there is no loading dock

Question 4. What are the payment terms?

Answer: Invoicing and Payment terms are located in Section 5 of Exhibit E – BPCA Standard Form of Contract.

Question 5: Are there semi-truck docks available on site for delivery of the equipment?

Answer: No, there are no loading dock

EXHIBIT B-2R

REVISED BID SHEET

BIDDER INFORMATION:

Company Name: _____

Address: _____

Contact Person: _____

Phone: _____

Email: _____

FEIN: _____

SECTION 1 – BASE BID (REQUIRED)

A. VEHICLE PRICING

1	2-Seater EV Utility Vehicle	Taylor-Dunn Bigfoot XL Li-Ion	1		
2	2-Seater EV Utility Vehicle, Open Air	Taylor-Dunn Bigfoot XL Li-Ion	3		
3	2-Seater EV Utility Vehicle	Taylor-Dunn Bigfoot Li-Ion	9		
4	4-Seater EV Utility Vehicle, Open Air	Taylor-Dunn Bigfoot Li-Ion	9		

Subtotal (All Vehicles): \$ _____

B. DELIVERY COST (FOB Destination)

Delivery for Vehicle Description	Model	Quantity	Unit Price (\$)	Total Price (\$)
2-Seater EV Utility Vehicle	Taylor-Dunn Bigfoot XL Li-Ion	1		
2-Seater EV Utility Vehicle, Open Air	Taylor-Dunn Bigfoot XL Li-Ion	3		
2-Seater EV Utility Vehicle	Taylor-Dunn Bigfoot Li-Ion	9		
4-Seater EV Utility Vehicle, Open Air	Taylor-Dunn Bigfoot Li-Ion	9		

Total Delivery Cost: \$ _____

C: TOTAL BASE BID	
Total Base Bid (Vehicles + Delivery):	

SECTION 2: WARRANTY INFORMATION

The Bidder shall provide manufacturer warranty documentation demonstrating compliance with the minimum warranty requirements set forth in Exhibit A, as amended.

The Bidder shall identify and describe all standard warranty coverage included in the Base Bid, including any warranty applicable to the vehicle, powertrain, battery system, corrosion protection, onboard charger, and any other components covered under the manufacturer's standard warranty program.

Failure to provide warranty documentation demonstrating compliance with the requirements of Exhibit A may result in the Bid being deemed non-responsive.

SECTION 3 – CERTIFICATION

The undersigned certifies that they have read and understood all bid documents and agree to furnish the goods in accordance with all terms, conditions, and specifications.
